WELCOME TO THE PS 220 PBIS REWARD CATALOG

Great Job!

First we would like to congratulate you for doing such a great job at school. We hope that you are ready to shop with your newly won Tiger Tickets.

Directions for ordering

First add up your Tiger Tickets. The amount of Tiger Tickets you have will determine what items you get to select.

Look through the catalog and decide what item(s) you want to get. The total number of tickets must equal the price of the reward you want. You can choose rewards as long as you have enough tickets to match the total price. You may decide that there is a reward that you want that is worth too many tickets. If that happens, you can always save your Tiger Tickets until you reach your goal.

After you decide on your reward, write it down on the order form and give it to your teacher along with the right amount of Tiger Tickets.

Your teacher will turn your order in along with the Tiger Tickets and your rewards will be delivered on Friday.
